Phone: 8260 3701

Training School: Youth Education Flexicentre

Website: www.yec.sa.edu.au

Course Description

Certificate I in Construction is designed for students with an interest in the building and construction industry. This program will work in conjunction with Housing SA in renovating and remodelling existing Housing SA properties and will provide pathways to vocations within the building and construction industry such as carpentry, concreting, tiling, painting and decorating, joinery, plastering, bricklaying, landscaping and demolition. This course combines structured workplace training, practical work sessions and theory.

Pre-Course Experiences/Pre-requisites

No pre-requisites to study this qualification, however, suitable for students:

- In year 11 and 12
- Have a passion for being part of the Building Industry

Structured Work Placement & Other

Students are assessed on-the-job and this forms part of the student's VET assessment requirements in completing the competencies required for the certificate. Students are required to attend White Card training on first week of the course. On the successful completion of the training they will be able to attend the worksite.
