

Health and Community Services Pathways

Certificate III in Individual Support (Disability Specialisation)

Australian Nursing and
Midwifery Education Centre

Learning to care from leaders in health

Course Description

ANMEC has partnered with the leading providers in the disability industry to deliver a contemporary Certificate III in Individual Support with an disability specialisation that embeds the philosophy of empowering people living with a disability. The training uses evidence based practice to support the principles of a client-centred approach and engage learners to deliver care that places the client at the centre of service with inclusive decision-making and informed client choices about activities of daily living.

Benefits for students

- Will acquire knowledge and skills to gain work in the aged care services.
- Educators are Registered Nurses with extensive and current experience in Disability and Health settings.

Pre-Course Experiences/Pre-requisites

No pre-requisites to study this qualification, however suitable for students:

- In year 11 and 12
