### Course Description

Certificate II in Horticulture is a unique program designed for students with an interest in the horticulture and landscaping industries. Garden Links works in conjunction with TAFE SA in developing student's skills in the areas of horticulture, landscaping and plant recognition giving students a recognised qualification in horticulture, as well as exposure to a range of other VET training packages. This course combines structured workplace learning, practical work sessions and theory into a single package designed to give students an entry level qualification in the horticulture industry.

### Pre-Course Experiences/Pre-requisites

No pre-requisites to study this qualification, however, suitable for students:

- In year 11 and 12
- Have a passion for being part of the Horticulture Industry

### Structured Work Placement & Other

Students are assessed on-the-job and this forms part of the student's VET assessment requirements in completing the competencies required for the certificate.
