PROGRAM NAME: GARDEN LINKS

NATIONAL QUALIFICATION: Certificate II in Horticulture

CODE: AHC20410

RTO Code: TBA

Pathway: This certificate is design to be an introduction to horticulture, landscaping and landscape construction and design. Students wishing for further training can enrol in Cert III Horticulture or similar on completion, or can examine traineeship/apprenticeship options in the horticulture or related industries.

Program Description: Certificate II in Horticulture is a unique program designed for students with an interest in the horticulture and landscaping industries. Garden Links works in conjunction with TAFE SA in developing student’s skills in the areas of horticulture, landscaping and plant recognition giving students a recognised qualification in horticulture, as well as exposure to a range of other VET training packages. This course combines structured workplace learning, practical work sessions and theory into a single package designed to give students an entry level qualification in the horticulture industry.
