Sound Engineering Pathways

Cert III in Technical Production (Music)

VET Coordinator: Emily Coleman

E-Mail: Emily.coleman310@schools.sa.edu.au

Phone: 8261 2733

Training School: Windsor Gardens B-12 School

Website: www.wgsc.sa.edu.au

Course Description

This course offers Music Industry and Technology training. Topics include music software and audio recording techniques, live and studio PA and microphone setup techniques and Music Industry skills and knowledge. The full qualification can be gained over 18 months (3 semesters). However, students can exit after 12 months with a Statement of Attainment (partial completion of Certificate III).

Benefits for students

- Will acquire skills to be 'work ready' within the sound tech industry
- Will be valuable members of any organization
- Be involved in a comprehensive work placement program

Pre-Course Experiences/Pre-requisites

No pre-requisites to study this qualification, however, suitable for students:

- In year 11 or 12
- Have a passion for being part of the Music Industry
- Being able to play a musical instrument will be beneficial but is not essential

Structured Work Placement

Students undertake work placement and industry visits off site. They are assessed on-the-job and this forms part of the student's Vocational Education and Training assessment requirements in completing the competencies required for the certificate.

Course Code: CUS30209 – RTO: COSMAMP - RTO#50392

BSBWOR203A	Work effectively with others
CUECOR01C	Manage own work and learning
CUEIND01C	Source and apply entertainment industry knowledge
CUSOHS301A	Follow occupational health and safety procedures
CUESOU08B	Select and manage microphone and other audio input sources
