Health and Community Services Pathways

CHC33015 Certificate III in Individual Support (Ageing OR Disability)

Course Description

The Australian Nursing and Midwifery Education Centre (ANMEC) has partnered with leading providers in the aged care and disability industries to deliver a contemporary Certificate III in Individual Support that embeds the philosophy of empowering older and disabled people. The training uses evidence-based practice to support the principles of a person-centred approach and engages learners to deliver care that places the client at the centre of service with inclusive decision-making and informed client choices about activities of daily living.

Benefits for students

- Will acquire knowledge and skills to gain work in either aged care or disability services.
- Facilitators who are members and practitioners with extensive and current experience in the Health Industry. Contemporary Program delivering a person centred approach to care.

Funding Criteria

- 16 years old or over at the commencement of Term 1 2020 or in Year 11 or 12 in the year that the student commences the course
- Australian citizen, permanent resident or eligible VISA holder
- Must not have exhausted personal allocation of government funding

Pre-Course Experiences/Pre-requisites
